What is *Washington Healthplanfinder*?

Created by the legislature in 2012, the Washington Health Benefit Exchange (Exchange) implements the Affordable Care Act in Washington state.

The Exchange runs *Washington Healthplanfinder*, the website to sign up for Washington Apple Health (Medicaid) or purchase a Qualified Health Plan (QHP) and Qualified Dental Plan (QDP).

The Exchange collaborates with tribes, community organizations, state agencies, and other partners to connect people in Washington state to health coverage options.

By using *Washington Healthplanfinder*, you can....

1. Sign up for free or low-cost coverage through Apple Health
2. Purchase a QHP and QDP and access financial help to help make coverage more affordable

When can I sign up?

Apple Health is available year round.

QHP and QDP coverage is available:

1. During the fall open enrollment period (Nov. 1 2020 - Jan. 15 2021, for 2021 coverage)
2. If you experience a qualifying life event that opens a special enrollment period outside of open enrollment. A qualifying life event could be loss of employer coverage, marriage, birth, etc. Qualifying life events should be reported within 60 days of the date the event was experienced to apply and select a plan

How much does coverage cost?

- Washington Apple Health is free or low-cost
- QHP and QDP prices vary based on age, household income and county. Financial help is available exclusively through *Washington Healthplanfinder* to lower your costs.

What financial help is available?

- **Advance Premium Tax Credits** - these are income-based tax credits that offset how much you pay for your monthly premium.
- **Cost-sharing reductions** - these are income-based reductions that lower your out-of-pocket costs by reducing payments to your provider when you use services, such as copays, deductibles, and co-insurance.
